*Work advertised in Engineering News.

NOTE.—We are desirous of securing specifications and bidding sheets (and plans when not too bulky) of pending work for file in our New York office for the benefit of contractors or others who may be interested in the work. If more sets than one are sent us we shall be pleased to distribute these to contractors who ask for them. When the work is advertised in Engineering News a note that the plans are filed with us will be added to the advertisement without cost.

RAILWAYS.

The names of parties awarded contracts are printed in capital letters.

ATLANTA, DOTHAN & GULF.—W. S. WILSON, of Dothan, Ala., has been awarded contract for grading this railway for about 30 miles.

BEAUMONT, SOUR LAKE & WESTERN.—This railway has been recently acquired by the "Frisco" interests. It is proposed to extend it at once from Sour Lake, Tex., west to a connection with the extension of the Trinity & Brazos Valley Railway from Mexia, to a point at or near Houston, about 65 miles. Preliminary surveys have been made. Location is being made for the Trinity & Brazos Valley Ry. from Mexia to Houston. Contracts will be let soon. R. C. Welles is Gen. Mgr., Beaumont, Sour Lake & Western Ry., at Beaumont Tex., and R. C. Duff, Secy.

BEAUMONT & GREAT NORTHERN.—It is reported that contracts have been let for the construction of 20 miles of its line from Trinity to Onalaska, Tex. This road was recently chartered to build from Trinity to Livingston, Tex., about 37 miles. A branch line from Groveton to Onalaska, about 15 miles, is also proposed. Wm. Carlisle is Pres., and J. T. Sloan, Ch. Engr., at Trinity, Tex.

CALIFORNIA NORTHWESTERN.—We are informed that this railway, recently incorporated, will be 110 miles long. A. H. Naftzger, 504 Merchants' Exchange, San Francisco, Cal., is Pres.

CALIFORNIA WESTERN RY. & NAVIGATION CO.—Company is to be incorporated, under this title, to build a railroad in Mendocino County, with terminus at Fort Bragg, Cal. It will be 65 miles long. W. P. Plummer, of San Francisco, is promoting the project. Duncan McNee, Miles W. McIntosh, Charles H. Weller, H. M. Cochran and Max Goldberg are named as incorporators. Capital stock will be $1,000,000. Frank Trumbull, Pres. of the Colorado & Southern Ry., at Denver, Colo., will be President of the new company.

CANADIAN PACIFIC.—This company, which recently purchased the Esquimalt & Nanaimo Railway system between Victoria and Wellington, B. C., has announced that survey parties would at once be placed in the field looking to the extension of the line to the north end of Vancouver Island.

COLUMBIA SOUTHERN.—It is reported that an extension, 50 or 60 miles long, may be built south from Shaniko, Ore. E. E. Lytle is Pres. and Gen. Mgr., at Portland, Ore.

GULF, TEXAS & NORTHERN.—It is proposed to extend this line from Logansport to Sabine Pass, Tex., 100 miles, and also from Logansport to Alexandria, 100 miles.

HOUSTON & TEXAS CENTRAL.—Company will file an amendment to its charter, providing for the construction of a line from Mexia, south to near Navasota, Tex., about 100 miles. This line will be in the nature of a "cut-off" between the points named. It is stated that the surveys have been completed. G. F. Hawks is Gen. Supt. and I. A. Cottingham, Ch. Engr., at Houston, Tex.

KANSAS CITY, MEXICO & ORIENT.—Contracts have been awarded for grading, in sections of five miles each, from San Angelo to Sweetwater, Tex., as follows: R. A. REED, of Oklahoma City, Okla.; the O'DONNELL CONSTRUCTION CO., of Thomas, Okla.; T. E. LUTTGERDING, of Eldorado, Kan.; and W. J. PITMAN, of San Angelo. Col. T. Yates Walsh is in charge, at San Angelo, Tex.

LORAIN & ASHLAND COMPANY has been incorporated by J. W. Patterson, W. P. Ramsey, W. E. Griffiths, E. C. Morton and R. J. O'Dell. The charter grants the company right to build and operate a railroad by steam or other power between Lorain, O., and Ashland. The headquarters will be at Ashland, O.

MADISONVILLE, HARTFORD & EASTERN.—This company has been incorporated in Kentucky by H. H. Holeman, George R. Lynn and W. P. Ross, of Madisonville, Ky.; J. W. Ford, Rowan Holbrook, John T. Moore and R. E. Lee Simmerman, of Hartford. The principal place of business will be Hartford, Ky. J. W. Ford will be Pres. The company will construct a standard-gage railroad from Madisonville, through Hopkins, Muhlenberg, McLean and Ohio counties via Hartford to Mitchell's Station.

MICHIGAN CENTRAL.—We are informed that the construction of the Detroit tunnel line from Windsor, Ont., to West Detroit yard, Mich., including its electrification, is placed in charge of an advisory board of engineers consisting of William J. Wilgus, Vice-Pres. of the N. Y. C. & H. R. R. R., Howard Carson, Consulting Engr., and W. S. Kinnear, Ch. Engr. of the Tunnel Co. The Chief Engineer will be in direct charge of construction, reporting to H. B. Ledyard, Chn. of the Board of Directors, on executive and financial matters, and to the Board of Advisory Engineers as to plans, specifications and methods of doing the work. Noted fully on June 22.

MAINE CENTRAL.—We are advised that NATHAN S. BROCK, 82 Savin St., Roxbury, Mass., has been awarded contract for relocation of the Washington County division of the Maine Central at Sprague's Falls.

NEW PARK & FAWN GROVE.—Contract has been awarded to John H. Dobling, of York, Pa., for grading and laying tracks for this company's line from Stewartstown to Fawn Grove.

OKLAHOMA NORTHWESTERN.—W. T. Peace, Treas. of the Northwestern Townsite & Development Co., Elk City, Okla., states that this railroad has secured right-of-way from Doxey, Okla., northwest for 100 miles. Construction probably will begin soon.

PENNSYLVANIA RY. (Lines west of Pittsburg.)—Robert Trimble, Ch. Engr. M. W., of the Northwest System, at Pittsburg, will receive bids until July 15, for elimination of grade-crossings in Cleveland, O. Contracts will include grading and masonry.
